Opportunities and Announcements

Michael Campbell Benefit Concert

Don't forget, that this Saturday night, March 31, pianist and Pine Point parent Michael Campbell will be performing a benefit concert for Pine Point at 7 PM, at the Chorus of Westerly's George Kent Performance Hall, 119 High Street, in Westerly. The program will include selections by Mozart, Scott Joplin, Cole Porter, Chopin, and others. Refreshments will be available before and after the performance. The suggested donation is \$10 for an individual and \$20 for families.

Photovoltaic System Unveiling

At noon on Monday, April 2, the 330 solar panels installed on the roofs of the Main and Campbell buildings will begin generating a large portion of the electricity used by Pine Point. Please join us in the Wronowski Courtyard between the Campbell Building and the Library/Technology Center to celebrate another way that Pine Point is making a difference in the community and the environment.

▲ Grandparents / Grandpersons Day

The mailing has gone out, and already large numbers of grandparents and "grandpersons" have responded that they, indeed, want to join their grandchildren, or good friends, for a day at Pine Point. The date is Friday, April 27. If, for some reason, you are a grandparent of a current Pine Point student or know of one, and you did not receive your invitation, please contact David Cruthers, Assistant Director of Development, by either calling 860-535-0606, ext. 133, or e-mailing dcruthers@pinepoint.org to receive information on one of the most enjoyable days of the school year.
