ANNUAL FUND SETS RECORD!

A hearty thank you to the 527 generous donors who have made Pine Point an important part of their philanthropy, and, in the process helped to set a new record for the Annual Fund. Coming together, they raised \$221,857 to strengthen the entire program at Pine Point! That figure represents a 6% increase over the previous year's mark, which was itself a record setting effort. Pine Point would be a very different school were it not for the great support given to it by so many individuals. Thank you again for making Pine Point students a priority in your giving. And as we report each month, there's still time to make your voice heard. If you wish to make a donation online, [click here](#).

ALUMNI REUNION AUGUST 9

August 9th is fast approaching, and that means the Alumni Reunion is on the horizon. Members of the Classes of 1952-2002 are all invited to the Library/Technology Center from 6-9 PM to exchange stories and renew friendships. Former Headmaster Dick Mitchell has said he will be there and looks forward to meeting up with his former students. All alumni/ae in those classes have been sent a formal invitation, and will be able to register either by sending back a response card or online, which can be done by [clicking here](#). The cost is \$15/person. R.S.V.P. by July 23.

DEMOVICK EARLY CHILDHOOD CENTER UPDATE

The DeMovick Early Childhood Center is rapidly taking shape. Since the May *Back to the Point*, steel has been installed, trusses have been set, and the roof has been installed. Work is also being done inside, both in the new building and the existing structure. You can follow the progress of construction by [clicking here](#).

We still need to raise money to fully fund the project. People who supported the Library/Technology Center project four years ago feel good about their investment; here's your opportunity to have your own good feelings about building Pine Point for this generation of students and those to come. Please consider making a generous gift to help complete the DECC by [clicking here](#).

GOLF TOURNAMENT RECAP

Seventeen foursomes gathered at Stonington Country Club on June 23 for a great afternoon of golf to benefit

Pine Point. Even with a 90-minute lightning delay, a good time was had by all. The winning group, at an 11-under-par 61, was Cal Ackley, Marc Ginsberg (husband of Barbara Ginsberg '70 and father of Elizabeth '01 and Matt '04), Insu Kong, (father of Christine '07, Nancy '09, and Kelly '11) and Carl Reiser (father of Abbey '07, Elizabeth '10, Tony '12, and Joseph '15).

Special thanks to our corporate sponsors: John, Barbara, and Lauren Fiore '96; The Holstein Foundation and Lauren Holstein '99, Abbott G. Holstein '94, Jonathan H. Holstein '92, Melanie Holstein '02; and Professional Planning Group Comprehensive Wealth Management/Raymond James Financial Services, Inc, as well as the 23 tee sponsors. As was established two years ago, all net income from the tournament over \$11,000 supports our faculty summer sabbatical program. Final figures have yet to be determined, but the great news is that it looks like net income will run to \$14,000! This summer, Steve Brown, Diane Seltzer, and Robin Rice will be respectively traveling to Greece, Iceland, and Colombia as Fiore Fellows.
