

July 2010

Dear Lower School Parents,

Below is a list of supplies your child needs for his/her school year. Please read carefully as a few new items have been listed. Also, please review the dress code policy before you shop for school clothes this summer so that your purchases are within the stated guidelines that can be found in our Handbook and on line. In fact, a thorough reading of the Handbook is always advised as it was designed to answer most of the questions you may have about Pine Point School.

This will be one of the few hard copy letters you will receive going forward. Please check the School Calendar weekly and look for e-mails with communications from us on important events and information.

Kindergarten and Grade 1

- An oversized shirt or art smock

All Lower School students need a pair of sneakers to be left in school for PE classes. They do not need to be new.

Consult the website for information regarding Ocean Blue's Catering Service for boxed lunches. In response to your input from last year, some changes have been made. If your child will not participate in the boxed lunch program, a lunch box will be needed.

Enjoy the rest of your summer.

Regards,

Susan Kozel
